Object : Request for Access to Documents

Madam,

We acknowledge receipt of your correspondence received on May 19th 2016 and transferred on May 25th to the person in charge of access to documents at the Tribunal administratif du Québec. You have requested a document that reports the number of Review Board for Mental Disorders annual hearings from 1992 to 2014.

After verification, the Tribunal only holds the information for the years 2008 to 2016. In accordance with the *Act respecting Access to documents held by public bodies and the Protection of personal information* (L.R.Q., c. A-2.1), we thereby inform you that you may receive a copy of that document.

Finally, you may apply to the Commission d'accès à l'information for a review of this decision. A notice of recourse is enclosed to the present decision.

Best regards,
